

Ted F. Gonzalez, JD/MBA

Director of Physical Plant · McLennan Community College · Waco, Texas

PROFESSIONAL SUMMARY

Accomplished executive with more than two decades of leadership in business development, corporate law, construction, real estate acquisition and strategic transactions. Trusted advisor to senior leadership, skilled at building cross-functional alignment to reach enterprise-wide goals.

EXPERIENCE

Director of Physical Plant

McLennan Community College · Waco, TX · 2024 – Present

- Oversee custodial, maintenance, grounds and construction departments.
- Manage a \$5M department budget and a \$5M college capital budget.
- Reduced department expenses by roughly \$200,000 in less than a year.
- Oversee the \$5M Cameron Hall new-construction project.
- Serve on the college's AI Task Force committee, and design and facilitate this AI professional development curriculum.
- Teach law for Central Texas College, integrating AI into the curriculum and developing best practices for its use.

Chief Financial Officer & Chief of Strategy

Central Texas College · Killeen, TX · 2024

- Led the college through SACSCOC accreditation review with no findings.
- Oversaw a \$102M institutional budget.
- Oversaw all Department of Defense educational operations and continental sites, including the Fort Hood campus and programs.
- Served as the college's Industrial Security Clearance Officer for all classified contracts.
- Led semiconductor and aerospace negotiations with regional partners to build programs for emerging industry in Central Texas.
- Worked with the workforce board, Chamber of Commerce and economic development board to establish a research park on campus.
- Led the House Bill 8 transition, aligning offerings and reporting with the new performance-funding model.

Chief of Strategy & Contracting Officer

Central Texas College · Killeen, TX · 2021 – 2023

- Member of the Chancellor's cabinet, assessing programs, enrollment and federal, state and local data to find growth opportunities.
- Built a comprehensive strategic plan for growth from ten years of college financial data.
- Initiated discussions to bring a regional semiconductor training center to campus.
- Modeled the financial effects of House Bill 8 and FAST by combining college, TEA and Department of Education data.
- Reviewed regional economic data to match current and new programs to future employer demand.

Associate Vice Chancellor, Business Services · Contract Officer · Adjunct Faculty

Central Texas College · Killeen, TX · 2017 – 2021

- Led a division spanning KNCT-FM, the Mayborn Science Theater, dining, bookstore, contracts, purchasing, inventory, housing, grants, business development and government affairs.
- Oversaw district-wide procurement, including continental sites and the Europe campus, and all Department of Defense contracts.
- Reviewed and advised on statutes, new legislation, contracts, executive orders, by-laws and MOUs.
- Turned KNCT-FM from declining to profitable, adding about \$280,000 in annual revenue.
- Grew Mayborn Science Theater sales from \$25,000 to a forecast \$100,000 a year.
- Renegotiated the dining contract for \$60,000–\$80,000 in annual savings; negotiated a \$1M Ford Motor Company partnership.
- Helped build an Inclusive Access textbook program to lower student costs.
- Taught business administration courses, building course shells from open educational resources.

Vice President of Operations · Partner · General Counsel

Campus Crest Real Estate Development · Charlotte, NC · 2008 – 2017

- Partner in a start-up student-housing developer: thirty communities, about \$1.2B in assets across the U.S. and Europe, with occupancy held at 95%.
- Acted as company general counsel, representing the corporation on all legal matters and engaging outside firms.
- Directed master development planning, capital allocation, construction, acquisitions and mergers.
- Worked with investors and venture capital to secure lending for future construction.
- Negotiated land acquisition, tax abatement and rezoning with chambers and development corporations.
- Launched a satellite cable and internet subsidiary and the Copper Beach senior and graduate-student living brand.

Regional Manager · Project Manager · Partner

Campus Crest Real Estate Development · Charlotte, NC · 2007 – 2008

- Turned around failing Class A multifamily communities (650+ units, \$100M in managed assets) and prepared them for sale.
